Elevator

Solution Components

DS-K1T671TM-3XF

- Face identification, Temperature screening, mask detection
- 7-inch LCD touch screen
- Face capacity: 50,000
- Temperature accuracy: $\pm 0.5^{\circ}\text{C}$, range: 30-45°C
- Face Recognition Duration(1:N) $\leq 0.2\text{s}$

DS-K5604A-3XF/V(O-SDT)

- Including metal bracket, supporting mobile deployment
- 7-inch LCD touch screen
- Thermographic technology, temperature range: 30-45°C, accuracy: $\pm 0.5^{\circ}\text{C}$;
- Authentication Distance: 0.5-1.5 m, height: 1.4-1.9m
- Max.50,000 faces capacity ,
